### **First Revisit to Haiti!**

**Rick Wilkerson was able to visit Jacmel last week. He was received with a very warm welcome and a lot of love. It has been 18 months since anyone has visited La Concorde. The mentoring provided was well applied and administration at La Concorde has done a good job keeping school open, children cared for and many fed. There were lots of greetings for sponsors! AND A HUGE Thank you!**

## Meet Our New Love Takes Flight Haitian Coordinator - Medijs

LOVE Takes Flight is the teen transition program that LOVE Takes Root has worked on this past year. A Haitian LOVE Takes Flight Coordinator has been hired to facilitate the process with each teen (she is also a nurse!). Our goal is to have productive Haitian citizens. We have four teens launching in June 2021.

## LOVE Takes Root is Fundraising Again

This has been a very difficult year for the world. Haiti has been listed by WHO as 4th in countries with food insecurity. And LTF wants to make sure the children at La Concorde Primary School, Secondary School, and Orphanage have food to thrive. Please consider having a fundraiser for LOVE Takes Root in your community.
