**GIVING TUESDAY!**

**Giving Tuesday is November 30th! LOVE Takes Root is asking donors for extra money for food.**

**The inflation rate in Haiti for 2020 was 22 %. Consider a gift of food for those who have little this Holiday Season.**

**Thank You!**

**LOVE Takes Root also wants to thank every sponsor for their support. Haiti has had a very difficult year and life there is hard. But with the sponsor's support. Each child is attending school, we have been able to send extra money for food, and clean water is still running.**

**We are thankful we have solar power and not using a generator for electricity. There is no gasoline available to run generators and that is why Hospitals are not able to be open at this time. LOVE Takes Root Medical Clinic is now open through the day and evening. They have electricity from solar and they have clean filtered water. The Haitian medical staff has expanded and they are providing a free clinic one Sunday a month.**

Love Takes Root would not be possible without everyone's love, dedication and support. With much LOVE,

Have a great week!
