

**“We must accept finite disappointment, but we must never lose infinite hope.” – Martin Luther King, Jr.**

#### **Haiti Update:**

**There continues to be disappointing news from Haiti. The gangs have even more power and have now moved to block north of Port A Prince. Kidnappings are constant. There is a food, gas, and morale shortage for all people. The price of all supplies is out of reach for most and the solutions remain undetermined.**

**LTR will continue to not allow the disappointments to also take our hope. La Concorde School continues to be in session and has 310 children enrolled. LTR is sending extra dollars each month to maintain food standards.**

**LOVE Takes Flight continues to progress. If you would like to join this journey we would be grateful.**

### Sponsor Day!

Yesterday, June 5th, we celebrated all sponsors for the children at La Concorde! The connection has helped to enhance the social emotional growth for children leaving institutionally. Your contribution and care has the potential to change a life, community and country. It is with infinite hope we recognize each of you!

If you would like more information about becoming a sponsor or know someone who would like to - please contact us on our website.

Love Takes Root would not be possible without everyone's love, dedication and support.

With much LOVE,

*LOVE Takes Root Team*
