Dear Sponsors of LOVE TAKES ROOT,

Greetings.

The children at the orphanage have been working on a program for all of us. It was scheduled last week but a storm came just as it was to begin.

While the orphanage is in a good place, the country however is not doing well. As you may have been reading, Haiti is in crisis. Government instability has resulted in a gang controlled capital. Widespread protests and road closures are now occurring in Jacmel. . This has resulted in schools being closed and hopefully to open in early October. The economy has been adversely affected, resulting in widespread gas shortages and if you can find a gallon of gasoline it cost \$25/gallon. Food has doubled in cost.

We need your help. In order to provide nutritious meals and snacks, increased funds are needed. We are asking all sponsors to consider increasing their monthly donations to meet the rising costs of life in Haiti. As a reminder, LOVE TAKES ROOT is unique in that all staff members are volunteers and 95% of donated funds go directly to the orphanage and to the children.

How you can help during this crisis:
