SPONSOR BOOKLET

ROOTS for a Child is the LOVE Takes Root program created to pair children at La Concorde Orphanage in Haiti with a sponsor. This sponsorship provides the child not just with monetary support, but with social and emotional support. We are grateful for your participation in this invaluable program.

I am writing this to use my words to say thank you to our sponsors for everything. It is a pleasure to talk about everything that you do for us. You help us to go to school and live well and be safe at the orphanage. You send socks, notebooks and tuition for school. I pray thank you to sponsors for caring about us.

Zamor Junior

Every Christmas we are very happy at the orphanage because our sponsors send us a present. They are very pretty. After God, you do everything for us and we want to say thank you for your help. Our God will help the poor and the will give you his blessing. You must have many blessings. At the orphanage, we thank LOVE Takes Root for all help. We wish that you will still be here to help others who can not take care of themselves. We pray for each of you we love your care and God Bless you.

Our sponsors always send money for every thing that we need to survive such as food, clothes, school tuition, uniforms, and a bag. Thank you for the shoes you send us every school year. Thank you for the massages that you sent and the beautiful nice fat shirts. It is very special.

LOVE Takes Root with the children at La Concorde Orphanage and School express our deepest gratitude to our sponsors!

Your support has enabled us to enhance the overall well-being of the children, ensuring they receive not just the basics but also opportunities for education. Your contributions have been instrumental in cultivating the future of children.

We understand that your support is not just financial; it is a symbol of compassion, empathy, and a shared belief in the power of humanity. Each sponsor has played a crucial role in building a foundation of love and stability for these children.

As we navigate the continuing challenges of Haiti together, your continued support remains the cornerstone of our ability to go forward with hope. Your generosity brings hope and joy to the hearts of children who, despite their circumstances, dream of a brighter tomorrow.
